

### *Your Voice Matters*

Women at Darden are student leaders, club leaders and section reps. Each of Darden's five sections has an elected gender equity representative.

### *Collaborative, Not Competitive*

Our students pride themselves on the shared learning experience and tight-knit community that extends outside of the classroom. Voted "Top 10 Greatest Resources for Women," by *The Princeton Review*, 2021.

### *We've Got Your Back*

The 1:1 program for prospective students pairs female candidates with a female student mentor and provides an application fee waiver. In addition, every First Year woman is paired with a Second Year woman to help navigate the core curriculum, recruiting and more.

### *Women Drive Change*

As part of the Women@Darden initiative, students led a comprehensive case audit to determine how many women and women of color were represented in cases, how to increase that number and how to include more diverse protagonists in the case catalog.

### *Life in Charlottesville*

Consistently top—ranked for lifestyle, health and business, "C-ville" brings together the cultural amenities of a large city with the scenic beauty of the Blue Ridge Mountains.

## WOMEN AT DARDEN

**Alyssa Gonzalez** (Class of 2023)  
*President, Graduate Women in Business*

*For me, pursuing an MBA meant surrounding myself with an environment that valued learning, understood the importance of highlighting diverse perspectives, and fostered collaboration. This is what Darden does best! As a non-traditional candidate, this opportunity to learn from my peers and world class faculty through the case method has been truly transformative.*
