Part-Time MBA Curriculum
Standard 33-Month Course Sample Plan

- Semesters must be continuous.
- The curriculum is composed of 34.5 credits of required core courses and 25.5 credits of electives.
- Residencies are week-long and 3.0 credits total. These credits are included in the core curriculum count above.
- Global electives are week-long and 1.5 credits. They are typically offered in the Fall of the second year. While represented here in the total electives count, they are optional and can be replaced by another elective for non-travelers.
- To maintain federal financial aid eligibility, students must be at least half-time in a given semester. Typically, this means enrollment in at least six (6) credit hours per semester.
- Electives in yellow do not typically follow the Monday/Thursday standard Part-Time MBA schedule. They take various forms including: self-paced, independent studies, consulting projects and cross-format electives such as weeklong courses, global residencies, or standard Full-Time MBA/Executive MBA electives pending availability and faculty approval.
